Enrollment Information and Form

Thank you for your interest in enrolling in an online course of study in engineering ethics. To get you started in your course:

- Save this file to your computer
- Complete the enrollment form below
- Read and enter the date in the **Integrity and Course Expectations Agreement**.
- Return the completed file via email to engineering.ethics@ttu.edu

---

I am interested in the following Professional Development Hours course in Engineering Ethics:

30-PDH {Basic - $600}	Engineer ◯	**60-PDH** {Intermediate - $900}	Engineer ◯	**90-PDH** {Advanced – ($1,200}	Engineer ◯
	Surveyor ◯		Surveyor ◯		Surveyor ◯

Last Name:		First Name & Initial	
Street Address		City, State and ZIP	
Email		Phone #	

Instructions for setting up your registration will be emailed when your completed enrollment form is received. Enrollment fee is paid by credit card and collected during the registration setup process.

Deadline for completing your course is six (6) months. Up to six (6) one-month extensions are allowed, with a $50 per month extension fee assessed. Extension fees are assessed upon course completion and must be paid before completion documentation will be provided.

If more than the additional six months is needed, re-enrollment will be required to continue. Payment of a re-enrollment fee is expected at the time of re-enrollment.

Integrity and Course Expectations Agreement

I understand that **all** assignments must be completed to receive completion credit.

I understand that failure to comply with this agreement may result in a failing grade for the course.

Integrity Agreement

I hereby make a personal commitment to academic integrity during my enrollment in this course by agreeing to the following:

1. All work submitted will be my own work, written by me, specifically for this course
2. I will provide proper credit for all references used in my written work

Extension Policy

1. I understand and agree to the deadline and extension policy described above.
