Make Embroidery: National Teddy Bear Day In-Person / Online

September 9 @ 3:00 pm - 5:00 pm

University Library and Online (Hybrid)

Join me on this National Teddy Bear Day and embroider a vintage teddy bear design. We will be working on cotton fabric and using embroidery floss using a chain stitch or back stitch. Items will be transferred onto fabric using infusible ink printed with our Cricut Maker.

Search for Opportunities

Use the search engine resources below to find external grants, fellowships, and postdoctoral positions. In addition to searching general fellowships, you can search for fellowships specific to discipline and to special population (e.g., veterans, international students, minority students).

For additional help and guidance in finding external funding opportunities, please contact the Texas Tech Librarian for Research, Instruction & Outreach - [Brian Quinn](#) .

Searching for External Funding

Specialized Searches - These links might be helpful for students in these related fields.

- International Students
- Arts & Humanities Students

Funding sources that are lottery or essay-only type applications WILL NOT satisfy the requirement. Final funding approval is at the discretion of the Office of Graduate and Postdoctoral Fellowships.

International Student Specialized Searches

Below are some helpful links to search more specifically for external funding for international students:

Final Notes

- Start early! Some academic majors are more difficult to find external funding opportunities so make sure and give yourself enough time to submit prior to our deadlines.
- Yearly requirement submission dates are September 1, 2024 – August 31, 2025.
- Funding is subject to cancellation if yearly requirements are not met
