As a reminder, this special report will be produced for Dr. James at the end of each month, beginning January 2018. This month’s special report features an update on OPA’s progress with reporting on disciplinary-based accreditations. **This information is required to be provided in the Institutional Summary Form, which is a required element of the Fifth Year Interim Report.** This information has also been requested by Shannon Crossland, Executive Director of Student Financial Aid and Scholarships. This information must also be reported for Texas Tech’s Program Participation Agreement (PPA) Certification. According to the U.S. Department of Education, the disbursement of federal financial funds requires institutions be PPA certified (<https://ifap.ed.gov/qadocs/Sampling/BlankPPA.pdf>).
