

TEXAS TECH UNIVERSITY  
Senate Resolution 41.28

(Stating the sentiments of the Student Senate regarding announcement displays in the Student Union Building and other locations on campus)

WHEREAS, students would benefit greatly from a centralized manner of information disseminated on locations around campus, and

WHEREAS, they would benefit even further if they could be notified of pertinent information at a moments notice, and

WHEREAS, attendance at events could be influenced and increased if students were more aware of upcoming events.

THEREFORE BE IT RESOLVED, that flat screen scrolling announcement displays be placed in the Student Union Building and outside of large lecture halls throughout campus.

BE IT FURTHER RESOLVED, these announcement screens shall be controlled by central server and coordinated by the tech announce office.

BE IT FURTHER RESOLVED, that this resolution be spread upon the journal and copies be sent to Dr. Michael Shonrock, Vice President for Student Affairs; Sam Segran, Vice President for Information Technology; Joe MacLean, Interim Director of the Student Union; Joey Kirk, Editor of the *Daily Toreador*; and the students of Texas Tech University.
