RAIDER RESEARCH UNIVERSITY

The offices of Accounting Services (AS) and Research Services (ORS) are proud to bring back **Raider Research University**!

Raider Research University (RRU) is a comprehensive education program designed to provide department research administrators and other support staff with the knowledge and competencies necessary for the efficient, effective, and compliant administration of sponsored project funding. RRU provides a standard level of expertise among those who support the research endeavor.

RRU provides the latest information, training, and resources to research administrators and support staff involved in pre-award, post-award, and compliance aspects of research administration. All courses are currently instructor-led courses, and there is no cost to participants. Course schedules, descriptions, and links to registration are available online at http://www.depts.ttu.edu/accountingservices/rru/.

➢ Level I is a 15 hour program for both new and existing employees working in a research administration capacity. The Level I program consists of the following:
