FROM HERE, IT’S POSSIBLE.
WELCOME.

We want you to be part of this place; a place created with a vision as vast and beautiful as the West Texas sky; a place where Spanish Renaissance architecture welcomes you to a campus that tells a story of traditions; a place where victory bells herald success, and you’re empowered to take the steps from dreaming to doing. The future awaits you here—let's get started.
With more than 150 academic programs in ten colleges, the opportunities to learn are endless. Enhance your experience by participating in undergraduate research, find a challenge in the Honors College (honors.ttu.edu), discover the world in a study abroad program, and engage in the community through service learning. Personal growth happens in many different ways, and at Texas Tech, your educational experience is your own.

Being a Red Raider is about more than wearing red and black. It’s about being in the student section with 10,000 of your closest friends during a Texas Tech victory, getting chills when the Goin’ Band starts playing the fight song, and the awe of your first Carol of Lights®. One day, you’ll be dressed in your cap and gown preparing to stand in front of the seal to take the iconic graduation picture. That’s the spirit of tradition that makes Raiderland great and what you will remember long after you’ve walked across the stage at graduation. [www.admissions.ttu.edu/experience](http://www.admissions.ttu.edu/experience)
Whether you’re floating the lazy river, joining the chess team, or hanging out with friends from your flag football team, there are plenty of ways to find a place to belong here. After a day in the sun or out and about, hit one of the many food courts, mini-markets, express kiosks or the StrEAT food truck available on campus. You’ll feel right at home in your traditional residence hall, suite, or nearby apartment. Make the most of your college experience. The opportunities for adventure are endless for Red Raiders.
A vibrant and bustling city, Lubbock is one of the greatest college towns in the nation. The beautiful Texas Tech campus, vibrant art and culture scene, and classic sense of West Texas hospitality make Lubbock feel like home. You will find your favorite hangout, form a family of friends, and make lasting memories, all in a place that feels friendly and welcoming.
