

## Academic Standing

### Academic Standing Query Form

Academic Standing

#### SHASTAT

**SHASTAT** is a query form that displays all students' academic status (good standing, probation, suspension, etc) per term (including past terms). SHASTAT can be sorted by status, date, level, college, major, last name, first name, and ID.

*SHASTAT is a query form.*

- ◆ Enter the selected fields to be queried
- ◆ Press the F8 key to execute the query

*Need to run another query?*

- ◆ To clear your query, press the F7 key
- ◆ Re-enter the selected fields
- ◆ Press F8 key to execute the new query

✚ *Tip: Each Academic Status code has to be queried individually, or use wildcards to run a selection (see example below)*

#### Academic Standing codes:

00	Good Standing
SP	Scholastic Probation
CP	Continued Probation
FS	Academic Suspension
SS	Additional Suspension
MG	Manual Good Standing
MP	Manual Scholastic Probation
MC	Manual Continued Probation
MF	Manual Academic Suspension
MS	Manual Additional Suspension

Disclaimer: The list of Academic Standing Codes could change as new codes are added or removed. Contact the Office of the Registrar or AFISM for any questions.

📄 The following pages will supply examples of different queries and the results.

## Example 1

- ➔ To run a query for all students in the College of Agriculture with a Continued Probation status.
  - Term: **200957** (Spring 2009 TTU)
  - Status: **CP** (Continued Probation)
  - College: **AG** (Agriculture)

**Note:** To run another query, press the F7 key.

MS	21-MAY-2009	UG	EN	CE			Mi	

## Tips to Remember:

- Use the wildcards in the Last Name & First Name fields (if needed)
  - % multiple characters
  - \_ single character
- At times, you will get stuck in a form. The best advice is to shut down your form “X” (Exit) and start over.
