TJCEBN, TTU Job Change End Old AND Begin New Nonexempt

**Purpose of this ePAF Approval Category:**

Ends a Nonexempt or Exempt (but not a Faculty/TA/GPTI) Primary Job and Begins a Nonexempt Job.

Use when employee has only a primary job; end secondary jobs first or submit single action ePAFs.

For details and comparison with other ePAFs, please review the Guide for Choosing an ePAF document on the HR Job Aids webpage.

### The DATE Reminders - End OLD/Begin New

#### The END Job:

The Personnel Date is the last day of the appointment regardless whether it occurred in the past or is an upcoming date, and can be entered in the Job Effective and End date fields. But, when submitting a late ePAF, the Job Effective and End date fields must be on or after the Last Paid Date.

#### The BEGIN Job:

The Personnel Date is the first day of the new job, regardless of whether it occurred in the past or is an upcoming date. The Query Date (Begin Job) is pre-populated with today’s date and should be over-typed. The Query Date must be after both the previous Job End Date and the Last Paid Date.

#### NOTE:

The ePAF will apply even after the Due Date. If the employee will be paid incorrectly, contact HR Comp Ops to discuss options.
