TeamApp Instructions

TeamApp is used to request access to TechBuy, Finance Signature Authority, HR Reports, ePAF and WTE.

The Financial Manager for each organization must request access via TeamApp for various applications and levels of access to systems.

To access TeamApp through Raiderlink, click on the A&F Work Tools Tab, in the AFISM Channel under Other Links, there is a direct link to TeamApp or you access it through the URL: https://banapps.texastech.edu/team/QuickLinks.aspx.

To identify the Financial Manager for your Organization, you can run Cognos Finance report FI028 – Organization Hierarchy Report.

Below is an example of the FI028 report:

**Finance Access: Signature Authority & TechBuy Authorization**

A Financial Manager is a TTU or TTUS employee who is currently a Level 7 Organization Financial Manager. A Financial Manager has unlimited account approval authority (up to the budgeted amount for that FOP).

Financial Managers are responsible for assigning Approver and Requestor roles for use of the FOPs they manage for TechBuy and other financial systems (ex. Direct Pay, P-Card, etc.). They are also responsible for removing permissions when personnel changes occur. Financial Managers also register Shopper roles and delegate that responsibility to an Approver or Requestor.

Financial Managers are also responsible for complying with University budgets and spending funds for the purpose intended.

Only one Financial Manager is allowed per FOP. To request a change to the current Organization or Fund Financial Manager, please use the Financial Manager Form on the Accounting Services website: http://www.depts.ttu.edu/accountingservices/forms.php.

**Instructions for Signature Authority Authorization for Approvers, Requestors & Shoppers:**

- The Level 7 Organization Financial Manager logs into TeamApp
  - On the left sidebar menu, click Access Request
  - Click the Financial Profile link
TeamApp Instructions

- Enter the eRaider for the user you are requesting permission for (if you don’t know the eRaider, you can Search using their legal first and last name).
- From the Financial Role screen, select a role based on the level of approval that should be granted for the user:
  - **Approver** – a TTU or TTUS employee who has been given signature authority for a specific Organization(s) and their related FOPs by the Financial Manager.
    - This role has unlimited FOP approval authority (up to the budgeted amount for that FOP).
    - Approvers will be responsible for complying with University budgets and spending funds for the purpose intended.
    - This role has the authority to register Shoppers for TechBuy.
    - Financial Managers may assign up to three Approvers per Organization.
  - **Requestor** – a TTU or TTUS employee who has been given permission in TechBuy to shop and approve Purchase Requisitions (for specific Organization(s) and their related FOPs) by the Financial Manager. This role applies to TechBuy ONLY.
    - This role has FOP approval authority up to $5,000.
    - Any transaction greater than $5,000 will have to go to a higher authority (Approver or Financial Manager) for approval.
    - Financial Managers may assign up to three Requestors per Organization.
    - Requestors will be responsible for complying with University budgets and spending funds for the purpose intended.
    - A TechBuy class is required for Requestors prior to obtaining access to the TechBuy system.
  - **Shopper** – this role has no spending authority. All requisitions will route for approval. This role applies to TechBuy ONLY.
  - **None** – allows the Financial Manager to delete all authorities from a user.
- From the Orgn Selection screen, use the arrow buttons to move the Available Orgns to the Selected Orgns. You can also use this process to remove access.

Note: Organization(s) selected allows authorization to ALL FOPs related to the selected Organization.
