General Information:
The purpose of this document is to provide instructions and information for
A. Spring RA/GAs who will work summer jobs on campus
B. Spring RA/GA’s who are not working on campus.
C. Spring GPTI/TA/RA/GA’s who are not enrolled in summer graduate school, but will work summer jobs on campus.

Following the instructions set-fourth in this document will ensure graduate student benefits are not affected during the summer months.

EOPS vs. ePAF: If an employee is performing duties for 30 calendar days or more, an ePAF must be prepared and submitted in order to pay the employee for time worked. The Employee Onetime Payment system (EOPS) can only be used in situations where an employee is performing duties for less than 30 calendar days.

NOTE: All Spring RA/GA primary jobs must remain unchanged for benefits eligibility. RA/GA primary jobs continuing into the summer do not need to be placed on leave without pay with benefits for the summer months. However, as described in this document, you may need to place Spring RA/GA primary jobs on leave if the employee will work under a different title during the summer or will not work on campus.

A. Research Assistants and Graduate Assistants working in the summer:
Research Assistants and Graduate Assistants are appointed as full fiscal year (12-month) employees, thus their jobs remain active during the summer months. Provided the student is enrolled in graduate school for the required number of credit hours to hold a graduate title, they will continue to work with no special summer appointment needed.

➢ To appoint a Spring RA as a GPTI/TA for the summer months, place the RA position on Leave without pay with benefits using the Leave Without Pay form, effective June 1. Follow the Summer Instructions for GPTI/TA using the pooled GPTI/TA position assigned to your department. Return the Spring RA to active status on Sept 1 with the Return from Leave Without Pay form. (see URLs below)
➢ To appoint a Spring GA as a GPTI/TA or RA, please contact HR Compensation and Operations for special handling instructions.
B. Research Assistants and Graduate Assistants NOT working the Summer:

Spring RAs not working during the summer, but are scheduled to return in the Fall, should be placed on Leave without pay with benefits using the Leave Without Pay form, effective June 1. Please use “Between Term Leave” as the type of leave. The Return from Leave Without Pay form will be used to return the Spring RA to an active status effective Sept 1. (see URLs below).

Spring GAs that are not working during the summer, but are scheduled to return in the Fall, should remain active so long as they do not report any hours worked on their Web time entry.

RAs and GAs that are not working this summer, and will not be returning in the Fall, should be terminated effective May 31. Note: ePAFs need to be completed and applied prior to the first non-exempt payroll in June.

C. Summer Jobs for Spring GPTI/TA/RA/GAs not enrolled but working at TTU:

GPTIs, TAs, RAs and GA’s not enrolled for the required number of Graduate school course hours during the summer months are not eligible to work on campus under a graduate title. Should they want to work on campus during the summer, they must be employed as a Student Assistant. This Student Assistant title will need to be reflected as a secondary job to ensure the graduate student benefits are not affected.

- The Spring GPTI/TA 9 month jobs are automatically placed on leave without pay with benefits. If not enrolled for graduate classes, GPTIs and TAs need to be appointed a secondary job using the department’s pooled Student Assistant position number with a suffix of ‘10’.
- Spring Research Assistants not enrolled in Graduate school during the summer should be placed on Leave without pay with benefits using the Leave Without Pay form, effective June 1. Please use “Between Term Leave” as the type of leave. If not enrolled for graduate classes, RAs need to be appointed a secondary job using the department’s pooled Student Assistant position number with a suffix of ‘10’. The Return from Leave Without Pay form will be used to return the Spring RA to an active status effective Sept 1. (See URLs below).
- Graduate Assistant appointments should be placed on Leave without pay with benefits using the Leave Without Pay form, effective June 1. Please use “Between Term Leave” as the type of leave. If not enrolled for graduate classes, GAs need to be appointed a secondary job using the department’s pooled Student Assistant position number with a suffix of ‘10’. The Return from Leave Without Pay form will be used to return the Graduate Assistant position back to an active status effective Sept 1. (See URLs below).

To assign the graduate student to a Student Assistant job for the summer, use the multi-action ePAF, TTU Add Sec Job And Future EndJob - Summer NonExempt (TSJFJN) ePAF. We have attached a special template for your convenience in preparing this summer appointment. It is required that this ePAF be used to appoint a graduate student not enrolled in Graduate School to a student assistant summer job.
**Things to keep in mind:**

1. The summer appointment should use pooled Student Assistant position number assigned to your department, with a suffix of 10.
2. An FTE will need to be assigned to ALL summer positions. If multiple positions will be assigned, the FTE will need to be split according to the work load.
3. An HLN earnings code with units as 1 will be used in the “Create or change default earnings” section of the ePAF.

If you have questions, please contact Human Resources – Compensation & Operations for assistance at 742-3851 or send an email to hrs.compensation.operations@ttu.edu.

**THE DATE Guidelines**

**Reminders Before Starting**

1. **Query Date** belongs to the “Begin” Action.
2. The date fields for the “End” action are empty and must be manually entered.
3. If there is a **Job End Date** as viewed on the Job Selection screen that will conflict with this multi-action ePAF, then it must be removed.
4. Use the ALL JOBS button to view and decide if this is a reappointment to the same T#-Suffix as last summer. If so, select last summer’s T#-Suffix when building the ePAF with the NEXT APPROVAL TYPE button.

**Job Change Begin**

1. The employee’s first day of the new job is THE DATE; it must be after the previous job end.
2. If THE DATE is on or before the previous **Job End Date**, then email HR Compensation Operations for assistance.
3. If the employee will miss one or more paychecks, then a Manual Check Request (MCR) form must be submitted for each paycheck missed. The MCR cannot request pay earlier than THE DATE.
4. On the reappointment of an employee, if there is a potential “primary” job conflict, email HR Compensation Operations.

**Job Change End**

1. Enter the last day of the job in all end date fields.

**ePAF Template**

Hint: Do not use the browser BACK button
Hint: Use Decision Guide for Query Date
Hint: Use the Job Aid “ePAF Attachment Instructions”

**NEW ePAF PERSON SELECTION Screen.** This is the first ePAF entry screen

| ID | Enter R#, OR Search for R#. DO NOT Generate a new R# |
| Query Date | Hint: Enter THE DATE (if it is not today's date) |
| Approval Category | TTU Add Sec Job AND End-Summer NonExempt TSJFJN |
**NEW ePAF JOB SELECTION Screen.** This is the screen where you enter or select the T# position.

- **Enter Position Number**
  - Hint: Use your department's pooled position for GA or SA.

- **Suffix**
  - 10
  - Use 10 for the first job assignment; use 20, 30, etc for simultaneous job assignments to the same position/title.

**The ePAF entry form opens.** Be sure to follow these hints before starting your entry:

- **HINT:** Verify the T#, suffix and title appear correctly above each Approval Type.
- **HINT:** If this is a reappointment to a T#, copy the Job Begin Date from the Current Value to the New Value column.
- **HINT:** Remember that the Default Earnings does not insert Effective Dates, and it needs to be entered on each line.

<th>80 - Budget</th>
<th>Approve</th>
<th>95 - HR TTU Approval</th>
<th>Approve</th>
<th>99 - HR TTU Apply - Upload</th>
<th>Approve</th>
</tr>
</thead>
</table>

**HINT:** The Approval Matrix on the HR Job Aids web page offers guidance about adding optional approval levels.

**HINT:** Find the "Default Routing" link in your Originator Summary and save your normal approvers.

**HINT:** The minimum approvals for most ePAF’s are preloaded in the Routing Queue. If additional approvals are required for a particular employee type such as faculty or students (Grad School, Provost, etc), or if additional approvals are required by your department management or if the transaction is an exception to university policy select the required approvers from the Approval Level pull down list.
