TTU CoA DESIGN AWARDS 2019

SUBMISSION REQUIREMENTS

The following information is intended to clarify project design information requirements for your submissions.

1. Pages one shall be a single page (8¼” x 11”) data sheet that provides all relevant information about the project program, schedule, cost and square footage.

2. A project narrative shall follow the data sheet providing a description of the design problem and its solution. Graphics and written narrative may be co-mingled. How the project is described and presented for review is entirely at the entrant’s discretion. The narrative, at a minimum, should include a description of the design problem, the influencing factors on the design and a written description of the design solution.

3. Entrants shall include plans, sections, perspectives, diagrams, renderings, and/or descriptive text. Entrants are encouraged to submit all information necessary, including photographs, to graphically illustrate their design concept/design solution. A graphic scale should be included on all applicable drawings. Renderings will not be accepted as a substitute for photographs of built projects but may be included if the entrant feels they provide useful additional information. As all submissions must be submitted electronically, boards placed in PDF format should reflect how your submission is best presented. No hardcopy submissions are required or will be accepted. The entrant’s identification shall not be revealed in any way or on any of the required project information or within the submitted project information. Any project may be subject to disqualification if it is not in full compliance with the submission requirements, or if the confidentiality of the submission is compromised.

4. A separate entrant identification page that includes the name of the architect (individual or firm) and project team member(s), telephone number, address, owner, consultant’s, location and person to notify (e-mail contact information and telephone number), must be completed and submitted. In addition, each entrant identification page shall provide a written affirmation signed by the entrant that states the entrant has the legal right to submit the project in a competition, and that any required permissions associated with the submission has been obtained from the architect, record designer, and/or owner (as applicable). Texas Tech University and the Texas Tech University College of Architecture shall have no responsibility for verification of entry submission authority.

ENTRY FEE

An entry fee of $250 is required for each project submitted. There is no limit to the number of projects that may be submitted for design award consideration. Submission of one project in multiple categories requires an entry fee for each category in which the project is submitted. Checks or money orders shall be made payable to the Texas Tech University College of Architecture and mailed to the attention of Ms. Deirdre Odell, Administrative Business Assistant, College of Architecture, Texas Tech University, Box 42091, Lubbock, Texas 79409. Credit card payments will be accepted as well. Please contact Ms. Odell for additional details. No entry fees will be refunded after receipt.

All entry submissions must be received no later than September 8, 2019 (23:59 hours US Central Daylight Time) and shall be sent to the Texas Tech University College of Architecture, c/o Deirdre Odell at (deirdre.odell@ttu.edu). Any additional questions regarding submissions shall be in writing and shall be sent to Ms. Odell by email prior to August 15, 2019.

The Texas Tech University College of Architecture reserves the right to expand any prize category and designate special awards per discretion of the competition jury. All entries are accepted with the explicit free right of publication, reproduction, and promotional use by the Texas Tech University College of Architecture and its sponsors without need for further approvals. Texas Tech University and the Texas Tech University College of Architecture shall bear no responsibility for copyright protection of submissions.

PURPOSE

This program is intended to promote public interest in architecture, recognize excellence in design, promote the work of Texas Tech University College of Architecture alumni, and to provide a sustainable source of funds for scholarships for students of the Texas Tech University College of Architecture.

AWARD CATEGORIES

- Built Awards
- Unbuilt Awards

Merit Awards will be presented to submitted projects based solely at the discretion of the jury. In addition, other notable projects may receive Honorable Mention recognition.

ELIGIBILITY AND AUTHORITY

All registered architects, architectural interns, and architecture graduate and undergraduate students are eligible to submit projects for the Texas Tech College of Architecture Design Awards Program. Entries are eligible even though the submitting architect, interior designer and/or landscape architect may not be the sole participant in the design. All participants substantially contributing to the design must be given full credit for their role as part of the submission.

AWARDS AND WINNERS

The winners will be notified in writing on, or about, October 1, 2019. Award certificates will be presented to the designers of the winning projects during the Texas Tech College of Architecture Reception at the annual Texas Society of Architects Conference at the Moody Gardens Hotel in Galveston, Texas on October 24, 2019.

Information about the awards will be released to various media and publications (including, but not limited to, Architectural Record, Texas Architect, Texas Monthly, Texas Technian, and the local newspaper of the award winners. Announcement of winners to coincide with Texas Society of Architects annual conference.
