J. T. & Margaret Talkington College of Visual & Performing Arts, Texas Tech University
FOR ENTERING FRESHMEN, TRANSFER STUDENTS, OR CONTINUING STUDENTS

AWARD VALUE for 2019-2020: $2,500 PER YEAR

Instructions: Complete this application and return it to the School of Art Room 101 by May 1, 2019. School nominations are due at the College of Visual and Performing Arts by 5:00 p.m., May 10, 2019. File FAFSA (Free Application for Federal Student Aid, http://www.fafsa.ed.gov/) by May 1.

PURPOSE
Mr. H.Y. Price endowed these scholarships to enable undergraduate men and women of good character and ability to attend Texas Tech University who otherwise would be denied this opportunity for lack of financial means. All students in the College of Visual and Performing Arts are eligible, including incoming freshmen, transfer students, and continuing students. One third of the awards each year are designated for entering students.

SUBMISSION REQUIREMENTS
Only applications conforming completely to these requirements will be considered. Place an X beside each item below as it is completed. INCLUDE THIS PAGE AS THE COVER SHEET FOR YOUR APPLICATION.

For applicants already committed to a major in the College of Visual and Performing Arts:

1. ________ Complete all of the questions in the attached application packet.
2. ________ Sign the applicant certification at the end of the questions.
3. ________ Attach one or two letters of reference AND a personal statement.
4. ________ Send the completed package to your School, according to the School’s instructions and deadline, for scholarships to begin in the following fall semester. Individual Schools will then evaluate and, if they so choose, forward applications to the College scholarship committee for award consideration.
5. ________ Complete a current FAFSA (Free Application for Federal Student Aid) at www.fafsa.gov and submit to Texas Tech University (School Code 003644) no later than May 1. Failure to submit this form by May 1 will result in ineligibility for a Price Scholarship.

NOTIFICATION OF AWARD AND ACCEPTANCE REQUIREMENT
Students whose applications have been selected for an award will be so informed by the end of June and will be required to return an acceptance letter (which will be included with the award notice) by the date specified in the award notification. Failure to return this letter by the specified date may result in forfeit of the award.

CONDITIONS NECESSARY FOR SCHOLARSHIP AWARD AND SCHOLARSHIP RENEWAL
Award recipients must earn at least 12 hours of formal coursework in both the fall and spring semesters. If a student falls below a 12 hour enrollment, stops attending class, declares a major outside of the Talkington College of Visual and Performing Arts, is put on probation, or is suspended, the award for the next semester may be canceled. Renewal for subsequent years (for a maximum of four years of undergraduate work) is possible if the student continues to major within the Talkington College of Visual and Performing Arts, shows good academic performance, continues to show significant financial need (as demonstrated by a FAFSA report filed by May 1 each year), and submits an annual renewal application that meets the spirit of the endowment (for students of good character and ability who lack financial means) and is favorably reviewed by the Visual and Performing Arts Committee. Texas Tech University cannot be responsible for renewals if events beyond its control unexpectedly diminish the designated funds.

ENFORCEMENT FROM DEPARTMENT OR SCHOOL  
IN WHICH THE APPLICANT IS MAJORING

A departmental endorsement is required for applications from students who have declared a major in a particular department or school. The departmental endorsement is to be given after the department or school has reviewed its applications; in other words, students need not and should not ask for this endorsement prior to turning in their applications because only those applications to be forwarded for further review outside the department will be given an endorsement.

The Director and/or the scholarship committee of the school in which the student is majoring should review this application in light of the H.Y. Price Scholarship’s Purpose and Requirements listed on the front page of this application form. Please keep in mind that a personal interview with the applicant, even if by telephone, is a highly desired part of the departmental review process. Please fill in and sign the following statement if the department recommends that the application be further considered by the Talkington College of Visual and Performing Arts Scholarship Committee:

I, _______________________________, in my capacity as ____________________________ in the School of _______________________________, believe that this student is worthy of being considered for an H.Y. Price Scholarship by the Visual and Performing Arts Scholarship Committee.

Title _______________________________

Students’ H.Y. Price Scholarship applications are first evaluated by individual departments and schools. Applications the departments and schools decide are worthy of further consideration are then endorsed by the departments and forwarded to the College of Visual and Performing Arts Scholarship Committee for further consideration. It is the responsibility of the departments’ scholarship committees to evaluate and rank H.Y. Price Scholarship applications. May 11 at 5:00 P.M. is the deadline for departments and schools to send to the Dean’s Office (103 Holden Hall) the endorsed applications selected for further consideration; the selected applications (including letters of recommendation, personal statements, and any other attachments) are to be accompanied by a ranked list of applications being forwarded by the department or school.

Feel free to provide below or on an attached sheet any additional comments about this student’s application, including information about any departmental scholarships offered to this applicant.
