How to Check Your Prerequisites, Restrictions & Permissions

PREREQUISITES make sure that SSAPREQ has a check mark in the CAPP areas for Prerequisites codes.

CAPP Areas for Prerequisites

It should also have a prerequisite code attached that starts with the letter Q in the section CAPP area prerequisites restriction block.

RESTRICTIONS are things like majors only or juniors only and those should be listed on SSARRES.
PERMISSIONS are special approvals that must be given for students to register – like advisor or instructor permissions. Those are found on SSASECT.
