How to Set Up Corequisites

Co-requisites: These are two courses that the students are required to take in the same semester but have different course prefixes. **Links will not work for these courses!**

1. Log into SSADETL in Banner and enter your CRN for the course you would like to review and next block

2. Click the CRN icon located half way down the page

   ![Corequisites](image)

3. Another screen will pop up and show the co-requisite sections that you need. SELECT and CLICK “OK”

   ![Corequisite Query](image)

4. This is how it should be after you select the co-requisite section.
