Once you are in the **Section Details** you can review your baseline preferences:

1. Navigate to the **Academics** tab and click on the **Sections** link.

2. Pull up the section details by clicking on the Course/Subject **Name** and click **Search**.
3. In the Section grid choose the section by clicking on the section title.

4. Under the Meetings detail box users may click on the arrow icon to the left of the listed meeting type to expand the preference listings.
