

NEW FACULTY AND STAFF 2018

TTU Chinese Faculty and Staff Association

11/2/2018

GuanQiao Feng , Postdoc

Bio (Interest/Expertise):

I am a postdoc working with Dr. Matt Olson at the Department Biological Sciences. I got my Doctoral degree from the University of Florida in 2017 and I joined TTU in Jan 2018. I currently work on the evolution of sex chromosomes and sexual dimorphism in plants. My work experience is mainly in bioinformatics including genomics and evolution.

Department: Biological Sciences

Phone#: 352.327.0101

Email: g.feng@ttu.edu

Yuan Jin, Assistant Professor

Interest/Expertise:

I recently graduated from the University of Connecticut as a Ph.D. in Operations and Information Management. My research interests include online two-sided platforms, crowdsourcing, knowledge management, online communities, electronic commerce, and the economics of information systems.

Department: Rawls College of Business

(ISQS Area)

Phone#: 806.834.3265

Email: yuan.jin@ttu.edu

Liang (Roy) Huang, Programmer Analyst

Interest/Expertise:

- Software developing
- Cooking

Department: IT Division

Phone#: 806.834.3199

Email: liang.huang@ttu.edu

Huanhuan (Joy) Wang, Assistant Professor

Interest/Expertise:

- School-based mental health.
- High-achieving high school students
- Adolescent peer relations
- Parent-child interaction therapy
- Running and Cooking

Department: Educational Psychology & Leadership

Phone#: 806.834. 4624

Email: joy.wang@ttu.edu

Ting Lin, Assistant Professor

Research Interest:

- Earthquake engineering
- Climate change
- Infrastructure resilience
- Multi-hazard sustainability (HazSus)
- Calligrapher, Soprano, Marathoner

Department: Civil, Environmental & Construction Engineering

Phone#: 806.834.5327

Email: ting.lin@ttu.edu

Xiaomei Shu, Postdoc

Interest/Expertise:

I'm experienced in molecular and genetics in plant-microbe interactions. I'm currently working on transcriptome changes in *E. coli* induced by chemicals on non-host tomato.

Department: Plant & Soil Science

Phone#: 806.787.4846

Email: xiaomei.shu@ttu.edu

ChunMei Wang, Assistant Professor

Interest/Expertise:

- Numerical Partial Differential Equations
- Finite Element Methods and Super-Convergence
- Weak Galerkin Finite Element Methods
- Inverse and Imaging Problems
- Nonlinear Optimization
- High Performance Computing and Domain
- Decomposition

Department: Mathematics & Statistics

Phone#: 806.834.7655

Email: chunmei.wang@ttu.edu

Min Wang, Associate Professor

Interest/Expertise:

- Bayesian Statistics
- Applied Statistics
- Statistical Consulting
- Statistical Modeling
- High-dimensional Inference

Department: Mathematics & Statistics

Phone#: 806.834.2692

Email: min.wang@ttu.edu

YiSha Xiang, Assistant Professor

Interests/Expertise:

- Reliability analysis
- Maintenance Optimization
- Operations Research

Department: Industrial, Manufacturing and Systems Engineering

Phone#: 806.834.7794

Email: yisha.xiang@ttu.edu

LingLing Xie, Staff Auditor

Interest/Expertise:

- Financial Planning
- Baking/Cooking
- Photographing

Department: Office of Audit Services

Phone#: 806.834.3868

Email: lingling.xie@ttu.edu
