[~] Nonresident State Tuition Exemption Waiver (out-of-state tuition rate minus state tuition rate) is given to all graduate students who are not Texas residents and who are TA's, GPTI's, RA's, or GA's. The net result is the state tuition rate is charged to out-of-state students.

[Ⓜ] Medical Services Waiver is given to all graduate students who are TA's, GPTI's, RA's, or GA's. If you want this service, you must pay this fee. International students who use the Academic HealthPlans insurance must also pay the Medical Services fee.
