

Registration FAQ

1. When can I register?

Here is the link to the 'Fall 2017 MyTech Registration' from TTU Official Publications:
http://www.depts.ttu.edu/officialpublications/class_schedule/fall_web_regis.php

Classifications are based on credit hours, not semesters completed.

2. Why am I receiving a 'Prerequisite & test score' error message when trying to register?

You probably haven't taken the prerequisite for the course. Course descriptions (including prerequisite information) can be accessed via the following link:
<http://catalog.ttu.edu/content.php?catoid=2&navoid=163>

3. I'm receiving a 'Class Restricted' error message when trying to register. What does that mean?

This usually means that the section is restricted to a specific classification (freshmen, sophomores, etc.). Try registering for a different section

4. How do I know which courses are going to be offered for a semester or summer session?

Information on course availability can be accessed via the following link:
<https://apps.texastech.edu/sections/>

5. How can I find important deadline information, such as the last day to drop a course, or when tuition is due?

Check out the Official Academic Calendar:
https://www.depts.ttu.edu/officialpublications/calendar/16-17_cal_detailed.php

6. How do I know if I'm eligible to register for a course?

Course descriptions (including prerequisite information) can be accessed via the following link: <http://catalog.ttu.edu/content.php?catoid=2&navoid=163>

7. Raiderlink won't allow me to drop my Summer class. How can this be resolved?

If you are registered for one class during a Summer session that you need to drop without registering for a different class, you'll need to get in touch with the Registrar's office for assistance. <http://www.depts.ttu.edu/registrar/>

8. How can I find out if TTU accepts transfer credit for the courses I want to take at another college or university?

This Transfer Equivalency Search is quite handy:
<https://www.depts.ttu.edu/registrar/private/transfer/>

9. What is my GPA?

This information can be viewed on your Raiderlink transcript. Go to the 'MyTech' tab in Raiderlink. Select 'Transcript,' then 'Unofficial Transcript – View Online.'

10. How do I know which requirements I have not yet completed?

Your **DegreeWorks** report provides this information. To access this report select the 'MyTech' tab in Raiderlink, then 'Registration,' then 'DegreeWorks.' If you ever have any questions about this report you should contact your major advisor.

11. I'm having difficulty with Visual Schedule Builder. How can I figure this out?

This video tutorial explains how to use Visual Schedule Builder to make planning your schedule easier: https://www.youtube.com/watch?v=Q1zKTTnI_hk

12. What do I need to do to declare or change my major or minor?

Meet with the advisor for the subject for which you would like to declare or change your major or minor.

13. I need to see an advisor. How can I schedule a meeting?

You can schedule a meeting with many TTU advisors via appointments.ttu.edu . If you're not able to find the advisor you need through this website, you can check the department's webpage.
