

Spanish Advising FAQ

1. Am I required to take a foreign language?

A student's foreign language requirement is determined by their college and major. If your major is not within the College of Arts & Sciences, consult your major advisor for the answer that pertains to you.

If your major is within the College of Arts & Sciences and your catalog year is 2016-2017 or prior, you are required to complete through the sophomore level (2302) of a single foreign language. Starting with the catalog year 2017-2018, Bachelor of Science students within the College of Arts & Sciences will be required to complete through 2301 of a single foreign language.

2. Can I test out of Spanish?

Academic Testing Services offers the CLEP test, which can be taken to potentially test out of (and receive credit for) SPAN 1501, SPAN 1502, SPAN 2301, and SPAN 2302. This test is available for other languages as well. More information about the CLEP test can be found via the following link: <http://www.depts.ttu.edu/testing/cleps.php>

<u>Semester credits:</u>	<u>CLEP score:</u>

SPAN 1501, 1502, & 2301	66

3. Is there a Spanish placement test that does not cost money?

TTU's Spanish Placement Exam (SPLEX) is set to launch during the Fall 2017 advanced registration period. SPLEX is for placement only and **does not award credit**. For more information please visit the following webpage:

4. All sections of lower-level Spanish are full or restricted. Will more sections become available?

If and when more sections of lower-level Spanish are created there will be a Techannouncement. Also, it is not uncommon for students to drop a course, especially at the beginning of the semester. CMLL does not maintain waitlists, but students can keep an eye out for an available seat.

5. Why am I receiving a 'prereq. & test score' error message when trying to register for SPAN 1507?

The prerequisite for SPAN 1507 is at least 2 years of high school Spanish. If you meet this requirement it needs to be coded in your Raiderlink account for you to be able to register for this class. If TTU already has your high school transcript on file, contact the Transfer Evaluation Office for assistance. If TTU does not have your high school transcript on file (this document is not an admissions requirement for transfer students), it will be necessary to request one to be sent to TTU.

6. SPAN 1507 and SPAN 1501 meet for the same amount of time as a 3 credit hour course. Why do they count for 5 credit hours?

These courses have a significant online coursework component in addition to regular class meetings.

7. Why am I receiving a 'class restriction' error message when trying to register for SPAN 2301 (or SPAN 1507 or SPAN 2302)? I've taken the prerequisite!

If you are encountering a 'Class Restriction' error when trying to register for a class, please check that your selected section is not class-restricted (for example, 'juniors & seniors only'). You can do so via the following link: <https://apps.texastech.edu/sections/>

8. I've only taken 0-1 years of high school Spanish. Which Spanish class is right for me?

SPAN 1501 is for students who have taken 0-1 years of high school Spanish. This class is offered Fall semesters. TTU must have your high school transcript on file for you to be able to register for this class. Please be aware that transfer students are not required to submit their high school transcript for admission, but this document is still required for SPAN 1501 registration. For assistance in registering for SPAN 1501 please contact shelly.whitelonis@ttu.edu.

9. I transferred SPAN 1501 (or 1411) from another college. Which Spanish class is right for me?

SPAN 1502 is the course that follows SPAN 1501 (or 1411). This class is offered Spring semesters at TTU.

10. Can I take multiple freshmen or sophomore Spanish courses in the same semester?

No. SPAN 1501, SPAN 1502, SPAN 2301, and SPAN 2302 can only be taken sequentially. Students who have taken at least 2 years of high school Spanish can start with SPAN 1507 and then proceed to SPAN 2301. For more information on registering for SPAN 1507, please refer to question #3.

11. What is SPAN 2607?

SPAN 2607 is the equivalent of SPAN 2301 & 2302 combined into one course. The prerequisite is achieving at least a B in SPAN 1412/1502/1507/1607. Section 03 is reserved for heritage speakers of Spanish. For approval to register for section 03, students can contact Dr. Pascual (Diego.pascual@ttu.edu).

SPAN 2607 is offered Fall and Spring semesters at the Lubbock campus. It is usually only available during the Summer at the TTU Seville center.
