Lorum Stratton

Study Abroad Scholarship Endowment

The Honoree

“[M]y life has been enhanced, enlightened, and made so much richer through the opportunities that I have had to accompany more than 1,600 students as they have expanded their world through a study abroad experience in Mexico or Spain. […] Those who learn a second language and who have the opportunity to interact with native speakers through a study abroad experience find that this is a life changing experience.” – Lorum Stratton. "Message from the Chair.” CMLL Newsletter 3 (Fall 2012): 1

Dr. Stratton has been involved in the directorship and development of study abroad programs since first coming to Texas Tech in 1969. He pioneered Spanish programs like the Mexico Field Course and the Spanish Program in Seville, Spain. The success of programs like the Mexico Field Course and the Seville program in Spain owe much to the hard work and wisdom of Dr. Stratton which is why Dr. Stratton has been called a “true internationalist at Texas Tech”.

The Scholarship

The Lorum Stratton Study Abroad Scholarship Endowment will be awarded to CMLL undergraduate majors of any language with a cumulative GPA of 3.0 or higher and to CMLL graduate students of any language who need leveling language courses. The scholarship will be awarded to students participating in a CMLL faculty-led program or an affiliated program approved by CMLL.

Giving

All donations are tax deductible and issued a receipt within 30 days. All donations regardless of amount are gratefully accepted.

All donation inquiries may be directed to the College of Arts & Sciences Development Office at 806-834-4754 or email amy.m.crumley@ttu.edu or w.jeffreys@ttu.edu

Give online now at www.give2tech.com; click "Give Online" at the upper right, then click "Make a Gift". On that page, click "Search for a specific fund" and type in "Lorum Stratton", then click the search result.

Checks may be written out to Texas Tech Foundation; designation “Lorum Stratton Scholarship Endowment” listed in the memo line and sent to:

Texas Tech University College of Arts & Sciences
Development Office
Box 41034
Lubbock, TX 79409
