ENGINEERING AMBASSADORS

Applications are available now in the EOC!

WHAT WE DO:

Engineering Ambassadors represent the Whitacre College of Engineering by performing duties such as:

- Communicating and inspiring prospective students
- Giving WCOE facilities tours
- Speaking to civic groups and high school students
- Assisting with the University Days, Job Fairs, Distinguished Engineer Awards Luncheon, and other events hosted by the EOC
- Critiquing current engineering student resumes
- Hosting employer info sessions

QUALIFICATIONS:

- Currently enrolled in the Whitacre College of Engineering
- Overall GPA of at least 3.0
- Must have one long semester fully completed (~12 hours) as an undergraduate student at time that application is received
- Three or more long semesters left until graduation starting in Spring of 2020 (expected graduation of Spring 2021 and beyond)
- Pre-Engineering majors are not eligible to apply

PROCESS TO APPLY:

1) Pick up application at the main office in the EOC starting February 3rd. Turn in application to the main office of the EOC no later than March 6th by 5 pm.
2) Applications selected will receive an invite to a Meet & Greet.
3) Select candidates will be interviewed by the current officers of the Engineering Ambassador organization.
4) Offers to join will then be extended to accepted candidates after deliberation.
