

In-Person Job Fair Dress Code

For In-Person Engineering Job Fairs, business professional attire is required, and dress code will be enforced for the duration of the Fair. **Students that are not in dress code will not be allowed into the Fair.**

Guidelines for Business Professional Attire

If you have a suit, wear it! If not:

- **Men** should wear dress pants and a professional, collared, button-down shirt with or without a tie/blazer. Dress shoes are required.
- **Women** should wear dress pants and a professional blouse with or without a cardigan/blazer. A professional skirt/dress is also acceptable. Professional shoes, e.g. flats or low heels, are required.

Conservative colors and patterns, with or without accent colors, are strongly recommended. Dress shoes are required.

Not Allowed

- Denim of any color (jeans, jackets, etc.)
- Shorts or cargo pants of any length
- Caps or Hats
- Tennis shoes, sandals/flip-flops, or stilettos
- Low-cut tops or tops that show the midriff
- Skin-tight or short (more than 2 inches above the knee) skirts/dresses
- Shirts without a collar for men

Resources for Dressing Professionally on a Budget

Dressing professionally DOES NOT have to mean spending a lot of money. Here are a few resources for dressing professionally on a budget:

- **Careers Closet:** The University Career Center in Wiggins Complex has gently used, **FREE** professional clothing for men and women in their Careers Closet. Contact careercenter@ttu.edu for more information.
- **Thrift/Discount Stores:** These can be great places to look for deals on professional clothing!
- **JCPenney Suit-Up Event:** Check [Job Grid](#) for details on upcoming events with discounts for students.

Please email coe.careers@ttu.edu with any questions on dress code.
