

BACHELOR OF SCIENCE

RESTAURANT, HOTEL AND INSTITUTIONAL MANAGEMENT (RHIM)

The hospitality industry is a major economic contributor and a source of “green” jobs around the world. Texas Tech’s RHIM program provides experience in food production, business management, hotel operations, wine and spirits, and more. **Ready to start your journey? From here, it’s possible!**

Career opportunities include jobs such as:

- Event Manager
- Experience Designer
- Director of Hotel Operations
- Food and Beverage Manager

Gustavo Camperos
RHIM major

Texas Tech University is accredited with the Southern Association of Colleges and Schools Commission on Colleges.
