This form is used to specify leveling courses for students who do not have the equivalent computing or math background of a computer science undergraduate degree. While leveling courses do not apply toward the student’s degree program and, as a result, the student may feel reluctant to take them, we have found that they do help to prepare the student for computer science graduate courses. We prefer you to have the opportunity to perform well in your degree program.

**PLEASE FILL IN THIS FORM COMPLETELY AND CLEARLY BY TYPING OR PRINTING USING A MEDIUM POINT, BLACK OR BLUE INK PEN.**

### Personal Information

<table>
<thead>
<tr>
<th>Name: ________________________________</th>
<th>ID: ________________________________</th>
</tr>
</thead>
<tbody>
<tr>

</tbody>
</table>

### Degree (Check One):

- [ ] PhD
- [ ] MSCS
- [ ] MSSE
- [ ] SE Certificate
- [ ] CS Minor

### Math Courses

The following math courses must be completed before registering for graduate courses in the Texas Tech CS Department.

- [ ] MATH 1351 Calculus I*
- [ ] MATH 3342 Mathematical Statistics for Engineers and Scientists*

*MATH 1351 Calculus I and MATH 2300 Statistical Methods are available through Texas Tech Outreach & Distance Education at http://www.depts.ttu.edu/ode.

### Computer Science Courses

The following computer science courses must be completed before registering for graduate courses in the Texas Tech CS Department.

- [ ] CS 5301 Foundations of Computer Science I
- [ ] CS 5302 Foundations of Computer Science II
- [ ] CS303 Foundations of Computer Engineering

### Student Signature

I certify that this leveling course acknowledgment form is true and correct at the time of submission. I understand I must complete the specified leveling courses in a timely manner, usually within one year, before becoming eligible to register for computer science graduate courses that would apply to my degree plan. I understand that any reluctance or failure on my part to complete the specified leveling courses will result in dismissal from the Texas Tech Computer Science Department.
