

SUPER SATURDAYS

SPRING 2012 ■ February 11 – March 3, 2012 ■ Texas Tech University
Division of Institutional Diversity, Equity and Community Engagement
IDEAL – Institute for the Development and Enrichment of Advanced Learners

COOKING AND CULTURES

Grades 1 - 3; 9:00 am to 11:00 am

Grades 4 - 6; 11:00 am to 1:00 pm

If you cannot break out your passport and travel the world, the next best thing is taking an imaginary journey exploring far away culture and cuisine. Get ready to tingle your traveling taste buds. We will start our culinary expedition in Mexico, then travel thousands of miles to the Mediterranean, Italy, and France. You will make recipes from each country and learn about its culture. Travel never tasted so good. \$92

ADVENTURES IN ART

Grades K - 2; 9:00 am to 11:00 am

Grades 3 - 6; 11:00 am to 1:00 pm

Come join the fun and adventure of the world of art! Experiment in painting, color, shapes, and drawing. Design and creativity are emphasized in this fast-paced art class. \$86

ALL THE WORLD'S A STAGE

Grades K - 2; 9:00 am to 11:00 am

Grades 3 - 6; 11:00 am to 1:00 pm

Please, make a scene. Celebrate the magic of theatre and create a new world through acting, improvisation and make believe. You will be guided through the

basics of stage performance and delivery while gaining confidence and having a great time. This class will work towards a performance for family and friends to be presented on the last class meeting. \$86

IN THE LAB

Grades 4 - 6; 11:00 am to 1:00 pm

This fast paced class will demonstrate that the pursuit of science is an interdisciplinary endeavor. Through hands-on experiments, you will explore a number of fields like medicine, biology, chemistry and physics. If you are interested in gaining information to focus your academic path, or just want to learn more about several scientific disciplines, this class is for you. \$86

ANIMAL SCIENCE

Grades 3 - 6; 9:00 am to 11:00 am

In this hands-on class, you will learn about meat, animals, food production, and food science. You will have the opportunity to gain experience at the Texas Tech New Deal Field Laboratory and learn what it is like to work with horses, cattle, sheep, and pigs. Transportation to the New Deal Field Laboratory is provided. \$86

DINO-ROCK

Grades K - 2; 9:00 am to 11:00 am

Grades K - 2; 11:00 am to 1:00 pm

The study of paleontology leads us to questions and answers of how our world came to be. You will perform experiments and activities that will help you understand dinosaur excavation, teach you how to determine dinosaur behavior based on footprints, and learn about fossils, while making some of your own. \$86

LEGO ROBOTICS

Grades 2 - 3; 9:00 am - 11:00 am

Grades 4 - 6; 11:00 am - 1:00 pm

In this exciting hands-on class you will learn to design a LEGO robot to perform specific tasks. After building the base robot, you will learn to program it to find its way along a specific path or to a given location, move around items, or avoid obstacles. You may then add sound, light, or sensors which collect data that allows your robot to better perform these tasks. At the end, all robots will participate in a competition that will determine the best design. \$92

SPANISH IN ACTION

Grades K - 6; 9:00 am to 11:00 am

Calling all niños: take this fun-filled class to learn Spanish, one of the top five languages in the world! By taking this class, you will join 425 million native Spanish speakers and will learn words to help you communicate, travel, and get a good job. You'll also explore the culture, games, and music of Spanish-speaking countries through many fun-filled activities! \$86

ARCHITECTURE

Grades 2 - 3; 9:00 am to 11:00 am

Can you imagine building a beautiful building? In this class you will learn in a "constructive" manner and see how art merges with architecture. You will draw, design, and create through various tools and materials. Activities may include reconstructing Stonehenge, bridge building and building geodesic domes. \$86

EXPERIMENTS GALORE

Grades K - 1; 9:00 am to 11:00 am

Grades K - 1; 11:00 am to 1:00 pm

In this action-packed, hands-on class, you will observe, investigate, and experiment. Through your experiments, you will learn about different kinds of science. We will make everything from volcanoes, to rockets, to invisible ink. Join us and discover the wonders of science. \$86

TOXICOLOGY

Grades 4 - 6; 9:00 to 11:00 am

Got poison? Tired of pollution? Do you want to know what the world's most venomous animals are? If you are interested in the environment, animals and human health, join us in using fun, hands-on, science experiments to learn about poisons (pharmaceuticals, pollutants, animal toxins and chemicals) and how they affect you and the environment. \$86

THE PHYSICS OF GOOP AND GLUE

Grades 4 - 6; 11:00 am to 1:00 pm

In this hands-on class, we will make goop and glue, test the properties of plastics, and talk about the physics involved.

Week 1: Polymerizations - Making Slime and Nylon

Week 2: Physics and Properties of Polymers: Burn test, density measurements, molten properties, transparency, stiffness

Week 3: Elasticity and Viscoelasticity: Silly putty fracture, chewing gum adhesion, damping of rubber balls

Week 4: Diffusion and Permeability of Polymers: water and oil-absorbing gels, diffusion through polymers

\$86

SUPER SATURDAYS REGISTRATION FORM — SPRING 2012

Student's Name _____ Birth Date ____ / ____ / ____ Home Phone _____

RELEASE & HOLD HARMLESS

_____, Parent/Managing Conservator/Guardian, (circle one) understand that the minor child, _____ has the opportunity to participate in *Super Saturdays*, a program for students sponsored by Texas Tech University, Institute for the Development and Enrichment of Advanced Learners, Lubbock Texas. I hereby affirm that I desire to have my minor child participate in said program. I give my permission for my minor child to ride in public transportation or in vehicles driven by Texas Tech employees or representatives to and from designated activities. I, the undersigned, am aware of the dangers associated with travel by motor vehicle or other conveyance and the possibility of injuries or death while in transit. I understand that my minor child will participate in general classroom, educational, and camp activities during this program. I am aware of the dangers associated with such activities and the possibility of injuries or even death in such participation.

In consideration of allowing my minor child to attend the above mentioned activities, I, the undersigned, do hereby release, indemnify, and hold harmless Texas Tech University, its Board of Regents, all the University's officers, agents, and employees, and the Institute for the Development and Enrichment of Advanced Learners from any and all liability due to injuries, damage or death arising or resulting from any act or omission, express negligence or otherwise, of said Texas Tech University officers, advisors, agents, and employees and other officers or members of the Institute for the Development and Enrichment of Advanced Learners, or any other person or participant in said activities while attending the activities or while in transit to and from activities.

The terms hereof shall also serve as a release and an assumption of risk for my minor child's heirs, executor and administrator, and for all members of my child's family and be pleaded as a bar to litigation.

Jurisdiction of this matter and venue shall lie in Lubbock, Lubbock County, Texas. I, the undersigned, on behalf of my minor child agree to indemnify and

hold Texas Tech University, its Board of Regents, and all the University's officers, agents and employees harmless from and against any and all personal injury. I am above the age of eighteen (18) years and read this Release and Hold Harmless Agreement and voluntarily understand and accept its terms.

Return to: IDEAL, Texas Tech University, Box 41008, Lubbock, TX 79409-1008 or bring your registration form and payment to Doak Hall, Suite 114.
Phone: (806) 742-2420, Fax: (806) 742-0480, For more information call at (806) 742-2420 or visit our website at www.ideal.ttu.edu

Persons with disabilities who may need auxiliary aids or services are requested to call (806) 742-2420 at least five days in advance of participation so that appropriate arrangements can be made.

SUPER SATURDAYS is an academic enrichment program designed to meet the needs and interests of high-achieving and gifted students. Classes are taught by university faculty, graduate students, and public school teachers. SUPER SATURDAYS is one of several programs offered by IDEAL. For more information, call (806) 742-2420 or visit our webpage at www.ideal.ttu.edu

REGISTRATION

You may register by phone, fax, mail, or in person. A student not previously enrolled in the program must attach a copy of **one** of the following: his or her most recent report card (B+ average required) or a letter of recommendation from a teacher or school official emphasizing why the student would

qualify for and benefit from the program. Students who have formerly been accepted into SHAKE HANDS WITH YOUR FUTURE, SCIENCE: IT'S A GIRL THING, SUPER SATURDAYS or who are in kindergarten or first grade are not required to submit letters of recommendation or a report card. It is your responsibility to determine classroom locations if we receive your registration less than five working days prior to the beginning of class.

PAYMENT

Complete the registration form and enclose a check payable to Texas Tech University. If the class is full or does not have sufficient enrollment, a full refund, or a credit for the following semester's Super Saturdays, will be issued. VISA, MasterCard, Discover, or American Express is accepted.

Send the completed registration to:
IDEAL, Texas Tech University
Box 41008
Lubbock, Texas 79409-1008

FEES, EARLY BIRD FEE AND REFUND POLICY

Classes are \$86 unless otherwise noted. Earlybird class fees are \$6 less than the fee listed. Registering on or before February 1 qualifies you for the Earlybird discount. If you request a refund, tuition minus a \$10.00 administrative charge will be refunded if we receive a written cancellation no less than five working days prior to the beginning of class. IDEAL reserves the right to cancel certain classes due to low enrollments. Registration deadline is February 6 for all classes.
