Shine the Light

Financial Aid

Expected Enrollment is no longer completed in Raiderlink. The new Double T Dashboard is easier to navigate and is the new home for Expected Enrollment going forward including Summer 2019, and Fall/ Spring/Summer 2019. Go to www.financialaid.ttu.edu and click on the Expected Enrollment image (seen below) to share your enrollment plans.

Scholarship Opportunities:
TTU Alumni Scholarship Application (March 15-April 30). Awards are based on hometown, academic achievement, honors, activities, and to some degree, financial need.

Student Counseling Center: Educational Workshops

The Educational Workshops offered by the Student Counseling Center (SCC) are open to all students, faculty, staff and distance learners who might benefit from learning how to overcome some simple challenges we all face in our daily lives. This is NOT therapy, but an opportunity to learn some new skills. The workshops are designed as a class with several sections that make up each class. The workshops are designed to be developmental in nature, so we do suggest beginning with the first session of each class, but they will be available for you to refer to later.

Please come by our Walk-In Clinic to discuss how the Student Counseling Center can help further.
