MVP Certification Forms News

DON'T WAIT IN ANY MORE LINES! CERTIFY YOUR BENEFITS ONLINE!

MVP has transitioned to a paperless office environment called MVP Forms. As you register for Summer 2017, you will be able to complete your certification form on the MVP Website and upload supporting documents with the form. If there are any issues, MVP will email you with instructions to complete your certification request in the forms system. The MVP forms which are available for electronic submission include:

- MVP Certification Form
- MVP Change Request Form
- Hazlewood Initial Application
- Hazlewood Continuing Enrollment Application

All required documents for certification must be submitted to MVP as an attachment to your online electronic form.

Did you know current students can register NOW for summer 2017? Register for classes with no expected changes, then submit your certification request on MVP Forms. This way, we can get you certified early! (MVP Forms link can be found HERE or on the MVP website).

Once your certification form has been submitted, allow 30 business days for processing.

If you are using federal VA benefits such as the GI Bill or Dependents Educational Assistance and you drop/add/withdraw from school during a term, remember you MUST fill out an MVP Change Request Form on MVP Forms as soon as the change occurs. Remember to attach any supporting documents to your online form.
