SALUTE: VETERANS HONOR SOCIETY

Establishment of this veterans’ honor society was funded by the ACE/Wal-Mart Success for Veterans Grant awarded to Colorado State University in 2009. SALUTE is the first national honor society established for student veterans and military in 2-year and 4-year institutions of higher education. One unique element of our honor society includes the 4 tier system which is designed to encourage student veterans to strive to improve their GPAs and advance to higher tier levels in the honor society during their academic careers.
