Awards may not be used to pay tuition and relevant fees for continuing education classes unless one of the following applies: (1) the college receives state tax support for the classes, or (2) the governing board has specifically approved this benefit.

Audit Note: As a Hazlewood recipient you must be in compliance with all benefit requirements. TTU MVP will perform an audit on records to ensure compliance standards. Deadline: A correct and complete Hazlewood application, required supporting documentation and information is required each semester. Student will submit the application via MVP Forms each semester by the deadline of the last day of class (not last day of semester) each semester. Refer to the TTU academic calendar for dates.

Distant Education: Student coded as non-resident of Texas is ineligible for Hazlewood as courses are considered not formula funded. Refer to Sec. 54.2002. EXEMPTIONS AND WAIVERS FOR STATE-FUNDED COURSES ONLY. Notwithstanding any other law, a mandatory or discretionary exemption or waiver from the payment of tuition or other fees under this subchapter or another provision of this code applies only to courses for which an institution of higher education receives formula funding.

Employee Tuition Assistance: Texas Tech Employees are eligible for ETA. Hazlewood does negatively affect ETA. Exclusions: There are many fees Hazlewood cannot exempt. An example of these fees are: student service fees, deposit fees, charges for books, application fee, orientation fee, IS 1100, PADR fees, Murdough Engineering fee, all enhanced and program fees, travel, lodging, board, or clothing and all other non-formula fund fees.

**Online Student:** Veteran student coded as non-resident of Texas is ineligible for Hazlewood as courses are considered self-supporting.

**Rawls College of Business MBA for Professionals and Online Master of Business Administration (MBA)**

Hazlewood can be used for these programs, and **may not cover the entire program cost.** Therefore, students are responsible for remaining account balance.

- **MBA for Professionals:** [http://www.depts.ttu.edu/rawlsbusiness/graduate/mba/professional/](http://www.depts.ttu.edu/rawlsbusiness/graduate/mba/professional/) Hazlewood cannot exempt fees designated by the Rawls College. Students, who are eligible for Hazlewood at 100% benefit, will receive about 14% of the tuition covered. The Rawls College of Business provides additional assistance to Hazlewood students. This assistance covers about 20% of tuition and fees. Exemptions may not cover entire program cost, and students are responsible for any remaining account balance. Fees associated with the Working Professionals program consist of tuition as charged by the University, University fees, program costs, books and materials, and meals fees charged by the Rawls College of Business.

- **Online Master of Business Administration (MBA):** [http://www.depts.ttu.edu/rawlsbusiness/graduate/mba/online/](http://www.depts.ttu.edu/rawlsbusiness/graduate/mba/online/) If coded as a Texas Resident, TTU is currently covering the master's program fee for the ACCT, FIN and DATA degree in Hazlewood exemption. These charges are not for food, lodging, books, or supplies and are required of all graduate students within these programs, and because of this, they are covered by the exemption. If we offered a separate program that did not include this mandatory fee then more than likely they would not cover it (the master program fee) because then it would be an elective decision by the student to take the more expensive program (EMBA (Professional MBA). This is not the case with the online MBA program. Therefore, it sounds like this exemption will include the online MBA.

**Residency:** Student utilizing Legacy or Child and Spouse of 100% Disabled, KIA, MIA must be coded as a resident at the time of admission to TTU. **Veteran** transferring Hazlewood benefit under Legacy must **currently physically reside** in Texas.
