SECTION D. CLASS ABSENCES

1. Class Absences

Responsibility for class attendance rests with the student. Regular and punctual attendance at all scheduled classes is expected, and the University reserves the right to address at any time individual cases of non-attendance. In case of an illness requiring an absence from class for more than one week, the student should notify his/her academic dean. Texas Tech University Operating Policy 34.04 provides complete information regarding class attendance and reporting student illness and emergencies.

1. Student Absence due to Pregnancy and Childbirth

Under the Department of Education's (DOE) Title IX regulations, an institution that receives federal funding "shall not discriminate against any student, or exclude any student from its education program or activity, including any class or extracurricular activity, on the basis of such student's pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery therefrom." Students needing assistance related to pregnancy/childbirth absences should contact the Title IX Administrator, the Title IX Case Manager, the Dean of Students Office, or fill out a report at http://www.depts.ttu.edu/titleix/students/Report_an_Incident.php

2. Religious Holy Day Absences

A student who intends to observe a religious holy day should make that intention known in writing to the instructor prior to the absence. More information is available in Texas Tech University Operating Policy 34.19.

3. Student Absence due to Sponsorship of Student Activities and Off-Campus Trips

- a. According to the Undergraduate and Graduate Catalog, faculty, department chairpersons, directors, or others responsible for a student representing the University on officially approved trips should notify the student's instructors of the departure and return schedules in advance of the trip. The instructor so notified must not penalize the student, although the student is responsible for material missed. Students absent because of University business must be given the same privileges as other students (e.g., if other students are given the choice of

dropping one of four tests, then students with excused absences must be given the same privilege).

- b. According to Texas Tech University Operating Policy 34.06, students will be responsible for making their own individual arrangements with instructors for class work missed while participating in an off-campus trip.
