Upon notice or receipt of potential violation(s) of the Code of Student Conduct, The Dean of Students or the Managing Director or designee will appoint an Investigator who will inquiry, gather and review information about the reported student misconduct, and will evaluate the accuracy, credibility, and sufficiency of the information.

If it is determined that the information reported does not warrant an allegation, a Policy Clarification letter may be issued to involved parties to clarify the policy in question.

When an initial report of misconduct by a third party does not identify the involved parties or the involved parties are not available, the Investigator will investigate the reported incident to the fullest extent of the information available.

When a Complainant is identified, but is reluctant to participate in the investigative process and/or the student conduct process entirely, the University will make every attempt to follow the wishes of the Complainant while weighing the interests of the campus community and the possibility of a continuing threat. If the Complainant does not want to participate in the investigative process but has no aversion to the University pursuing conduct action with respect to the named Respondent, the University will proceed with the student conduct process to the extent of the information available. If the Complainant does not want the University to pursue the report in any respect, the University will investigate further only if there is reason to believe that a significant continuing threat to the campus community exists.

NOTE: The Managing Director or designee may proceed with the conduct process (even if the complainant(s) chooses not to participate) on a case by case basis if the alleged behavior involves pattern, predation, threat, or violence (PPTV) that may significantly impact the campus community and others.

1. Remedies and Resources
The University may take immediate interim actions to eliminate hostile environments, prevent reoccurrence, and address any effects on the Complainant and community prior to the initiation of formal Investigation and/or formal conduct procedures. These interim steps will be taken to minimize the burden on the Complainant while respecting due process rights of the Respondent. Remedies for students may include, but are not limited to counseling services, modifications to on-campus housing, modifications to parking permissions, and modifications to academic schedule. Remedies will be evaluated on a case-by-case basis.
