

**HOW TO MAKE CONTRIBUTIONS
TO THE
ECE INDUSTRIAL ADVISORY BOARD FUND**

Our tradition has been for IAB members to contribute an amount of their choosing to the ECE IAB account at Texas Tech to support our departmental initiatives.

You can do so online at: <https://securejava.tosm.ttu.edu/onlineGiving/landing.do> - and then search for "Electrical Industrial" to find the right fund.

Or, you can send a check (made out to Texas Tech ECE-IAB) to:

Mackenzie Hamilton
Senior Director of Development - TTU Advancement
Texas Tech Office of Advancement
MS3103
Lubbock, TX 79409

Don't forget to apply for any corporate matching funds that may be available from your company!
