

Recording a video in **go**react

for instructors & students

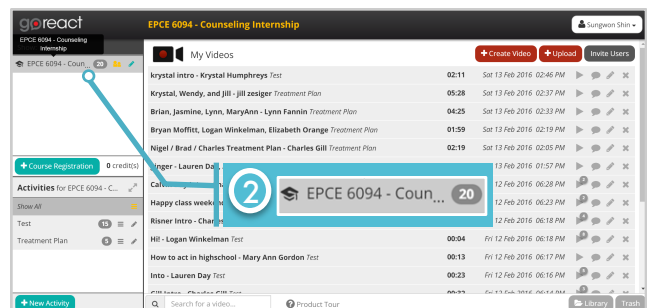

OVERVIEW

Instructors and students may need to record few videos as a part of GoReact course. Below are some steps.

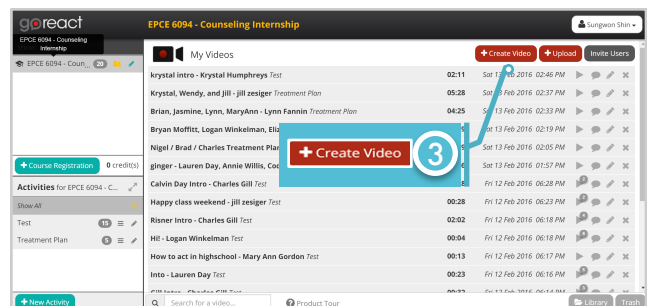

STEPS

Step 1. Open your GoReact dashboard on a browser (PC or Mobile).

Step 2. Choose the course you are working on (e.g., EPCE 6094) from the left panel.

Step 3. Click the “Create Video” button.
