CREATING COURSE LINKS on a Schedule Page

OVERVIEW

Course links are links leading to other pages in your course. For example, you can create a course link for each module on the schedule page, or you can create course links for assignments and/or assessments on module pages.

Here are the steps to create a course link for a module page on the Schedule page.

STEPS

Step 1  Set “Edit Mode” to ON.

Step 2  Click “Schedule” on the left panel.

Step 3  Click the chevron shaped icon next to “Build Content” on the top of the page and select “Course Link.”

**Step 4** Click “Browse” to find the module (e.g., Module 6) you want to link to the Schedule page.

**Step 5** Change the course link name and content if needed.

**Step 6** Click “Submit.”

**Complete Looking** Module 6 is now linked to the Schedule page.
