# Create a Class

- Click plus sign to create a new classroom.
- You can write name, section and subject information.
- Click “Create” button.
- Now, you see the classroom you’ve just created.

# Create an Activity

- Click the plus sign, when you are in the Stream tab.
- Select activity that you want to create (for example, announcement).
- Fill the areas with the subject.
- Click “Post” button.

# Invite or Add Students

- Click the “Students” tab.
- Click “Invite Students”.
- Select the students from contact list.
- Add them to the classroom.
- You can also share **Class Code** with the students for them to participate in class by themselves.

# Invite Instructors

- Click the “About” tab.
- Click “Invite Teachers”.
- Select the teachers from contact list.
- Add them to the classroom.

# Archive Classrooms

- Click the three dashes top left of the classroom.
- Select archive.
- You can still reach your classroom documents from Drive.
- You can also retrieve the archived classrooms later.
