- Use of the TAP rubric to monitor and improve instruction
TechTeach

All student seeking certification (even those in other colleges) must apply and be accepted in to the College of Education TechTeach program before starting their education block courses.

Students usually begin the Teacher Education Program at the beginning of their Junior year, or after 60-70 hours of general education and content area courses have been completed.

Early Childhood through 12th grade program: 2.75 GPA
