Texas Tech University And Collin County Community College District Student Access and Success Articulation Agreement

Parties

This Articulation Agreement (“Agreement”) is between Texas Tech University (“TTU”) and Collin County Community College District (“CCCCD”) (individually “Institution” or collectively “Institutions”) and outlines their commitment to the *Student Access & Success* program (“Program”). CCCCDC considered as a whole and this Agreement extends to all campuses within the CCCCDC system or district. TTU and CCCCDC enter into this Agreement in the spirit of cooperation and mutually recognize each other as quality Institutions of higher learning.

Background

TTU created the Program to support State of Texas’ and Texas Higher Education Coordinating Board’s *60x30TX* Strategic Plan Initiative promoting access, affordability, quality, success, and cost efficiency in Texas’ institutions of higher education. The mission of the Program is to support a more globally competent workforce by increasing the number of individuals seeking to further their education. The goal of the Program is to increase access to and the number of transfer pathways from which prospective students may choose to pursue a baccalaureate degree while seeking to reduce overall costs of education.

Founded in 1985, CCCCDC is a student and community-centered institution committed to developing skills, strengthening character, and challenging the intellect. Through its campuses, centers, and programs CCCCDC fulfills community and industry needs and its statutory charge by providing academic courses in the arts and sciences for transfer; programs leading to baccalaureate degrees, associate degrees, or certificates; continuing adult education programs; developmental education programs; a program of student development services; and workforce, economic, and community development initiatives. In support of the *60x30TX* Strategic Plan Initiative, CCCCDC pursues seamless transfer pathways that promote access, affordability, success, and cost efficiency for transfer students.

Purpose

The purpose of this Agreement is to foster engagement of pre-transfer students in communications with TTU and provide them a transfer pathway from CCCCDC to TTU for completion of a baccalaureate degree. The Institutions are dedicated to providing greater

educational opportunities and services for students transferring between the two Institutions, including a commitment to:

- Increase awareness of educational and student support opportunities available;
- Encourage currently enrolled transfer students to complete their associate's degree;
