Step 5: Save file to your computer. Note that different browsers may not appear the same as the image below, but you will need to Save the file to your computer.

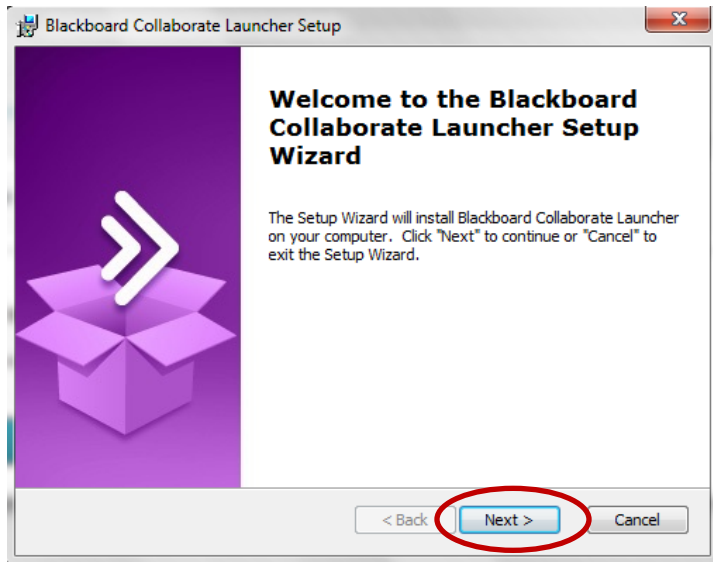

Step 6: Open the file you just downloaded. Again you may see different interface depending on which browser you use. You will need to go to where the file is saved to open it (usually the file will be saved to "download").

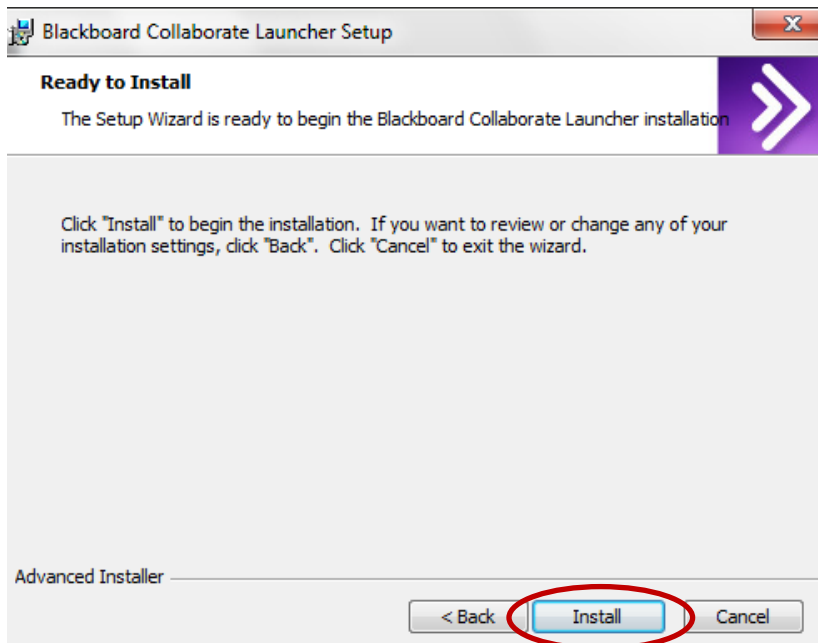

Step 7: Click Run.

Step 8: Click Next.

Step 9: Click Install.

Step 10: Click Finish.
