Submitting Portfolio Assignment

1. To open the assignment, click on portfolio assignment link in the location your instructor has created the assignment in your Blackboard course.

![Portfolio Assignment](image)

2. Click Select Portfolio button (if you have a portfolio already created, you can select it. Otherwise, you need to click Create Portfolio button.)

![Upload Assignment: Portfolio Assignment](image)
3. A new screen will appear. Click the portfolio that you would like to upload, and submit it.

4. You can see the attached portfolio under the assignment submission section. Then click on submit.
