## Texas Tech University Uniform Graduation Requirements

### 1. Foreign Language Requirement

*Students graduating from Texas Tech University should be able to express, negotiate, and interpret meaning in a second language.*

Any entering student who has not completed two years of a single foreign language in high school must complete at least two semesters (or its equivalent) of a single foreign language at the first-year college level **or** at least one semester of a foreign language at a 2000 level or higher as a graduation requirement. This requirement may also be satisfied by transferring in the equivalent courses from another college or university. Individual Texas Tech University colleges may have additional foreign language proficiency requirements. Additional requirements may be necessary for select majors.

### 2. Science Laboratory Requirement

Students graduating from Texas Tech University are required to complete two semester credit hours of science laboratory courses. Normally this will be done by taking two 4-credit science courses or combinations of lecture and lab.

### 3. Communication Literacy Requirement

Students will complete the required communication literacy requirement.

### 4. Core Curriculum Requirement

Students will complete the required core curriculum.

### 5. Multicultural Requirement

In addition to the State of Texas core curriculum, every student must include at least one 3-hour multicultural course or its equivalent that focuses explicitly on the distinctive subcultures of the United States or on the culture of another society.

**Maximum number of transferrable semester credits hours from a two-year institution applicable to a baccalaureate degree at the university is 80.**

**The crosswalks in this articulation agreement will apply immediately to a student's degree plan and will expire two years from the date of signature unless renewed beforehand by both institutions.**

**Crosswalk: Associate of Applied Science in Fire Science at Midland College to Bachelor of Applied Arts and Sciences in Human Sciences at Texas Tech University**
