

2011-2012 Verification Worksheet

Federal Student Aid Programs

Student Form

Your application was selected for review in a process called "Verification". In this process, Texas Tech University will be comparing information from your FAFSA application with signed copies of your 2010 Federal tax forms. (and your spouse's, if you are married)

The law states that we have the right to ask you for this information before awarding Federal Aid. If there are differences between your application and your financial documents, Texas Tech will submit the corrections electronically back to the Federal Processor. You will receive email confirmation from the Department of Education if changes to your FAFSA are processed.

What you should do:

1. Submit signed copies of your (and your spouse's) 2010 Federal income tax forms, W-2 forms, etc.
2. Submit the completed worksheet, tax forms, and other documents TTU may request to the Financial Aid Office. You may mail, fax or bring documents to the office.
3. Talk to a TTU Financial Aid Office representative if you have any questions about completing this worksheet.

Your school must review the requested information, under the financial aid program rules 34 CFR, Part 668.

Updates to your awards will be available on My Tech (www.raiderlink.ttu.edu).

Delays in submitting this completed worksheet, 2010 Federal income tax forms and/or other requested documents will delay the processing of your aid application and may affect the availability of certain types of aid programs for the 2011-2012 award year.
