

Available Doctoral Defense Dates for December 2010 and May 2011 Graduations

Monday, August 30 through Friday, February 25, 2011

BEFORE setting a defense date, check with Gloria McNeme to verify all your prerequisites have been met. After the student and ALL committee members have agreed upon a defense date, both student and chairperson should sign the notification form and submit the original form and defense abstract to Becky Davidson at the Graduate School at least three (3) full weeks before the defense date. Defenses should only be held on university-designated class days.
