Department Major
Name of Graduate/Research Advisor

Applicable Scores

GRE Verbal GRE Quantitative GRE Written
GMAT GRE Analytical
GPA Undergraduate GPA Graduate

Will you be a full-time or part-time student?

Section B: ADDITIONAL DOCUMENTS

Compile the following documents and save them as PDF files.

- 1. Research Project Description (one-page maximum):
a. Open a document with one-inch margins, 11-point font, and single spaced.
b. Describe 1) your previously selected research topic, and 2) any information, including scores, omitted from Section A.
c. When you complete your description, convert and save it as a PDF file.
2. Supporting Letters: Request a supporting letter from both (a) your thesis/dissertation committee chair and (b) your graduate advisor or department chair.
3. Transcripts: Convert your transcripts into PDF files and save as a single PDF file.

Section C: COMBINING PDF FILES

Combine all of your PDF files into one PDF file for final submission.

- 1. Open your PAGE ONE file. From the top menu, click Document, Insert Pages.
2. Repeat the same process with your letters and transcripts. When you finish, you will have one large file that contains all your documents.

Section D: SUBMITTING YOUR APPLICATION

Send your file, Lastname_Firstname_WATERRESEARCH.pdf, as an email attachment to waterresearch.gradfellowship@ttu.edu.

Be sure to read the complete set of instructions on the Application Procedures page before you submit your application.
