Application to take Contracts Law

Students interested in taking this course through the TTU Law School must complete and turn in this application to the Honors College by Friday, March 28th, 2014. Admission into this course will be competitive, and is open to Honors students only. You will be contacted via TTU email if your application is approved and you are given a permit to enroll.

Students will be expected to do the work required of the other law students in the class. However, Honors students enrolled in this course will take it on a Pass/Fail basis. You will need to have the consent of your primary advisor to take this course Pass/Fail before registering, and must obtain a Pass/Fail declaration form from the Advisor of your primary college, have it signed by the Dean of your primary college, and submit the signed form to the Registrar’s Office by the Pass/Fail declaration deadline. You must have fewer than 10 hours of Pass/Fail credits already on your transcript, and the credit will not count toward TTU core curriculum requirements. If you have questions please contact Sarah Timmons in the Honors College.
