The School of Allied Health Science and the School of Nursing offer the Honors designation for a bachelor’s degree in Nursing (NURS); Clinical Lab Science (CLS); and Speech, Language, Hearing (AHSL). If Honors requirements are complete before matriculation into the Pharmacology program, students can receive an Honors certification.

**General Honors Coursework (any level) – 18 hours**

2) ________________

3) ________________

4) ________________

5) ________________

6) ________________

Possible courses include: BIOL 1403, BIOL 1404, CHEM 1307, CHEM 1308, CHEM 3305, CHEM 3306, COMS 2300, HIST 2300, HIST 2301, HONS 1301, HONS 1302, HONS 1303, HONS 1304, HONS 2311, HONS 2314, PHYS 1408, PHYS 2401, POLS 2302, PSY 1300, and SOC 1301. Students may also substitute up to six (6) hours of upper-level Honors credit through contracting, taking graduate courses, or completing a Study Abroad Waiver. Many students contract courses after matriculating at the HSC, including NURS 3312, NURS 3313, AHSL 3323, AHSL 3426, AHSL 4300, AHSL 4410, AHMT 4300, AHMT 4320, and AHMT 4480.

**Upper-Level Honors Seminar (3000-4000 level) – 3 hours**

1) ________________

HONS 3302: Early Clinical Experience is a common seminar.

**Senior Summit Experience – 3 hours**

1) ________________

*It is suggested that students complete 18 of the required 24 Honors credits, including both the upper-level seminar and SYE Capstone (taken in final year at TTU), before matriculating at the TTUHSC. Additional information can be found at [www.honors.ttu.edu](http://www.honors.ttu.edu).

Completion of these requirements allows a student to graduate with Honors. In addition, students can complete 6 hours of Honors research hours (HONS 3300 and 4300) and complete an Honors Thesis to graduate with Highest Honors.
