

Residence Halls With Built-in Furniture

Coleman Hall

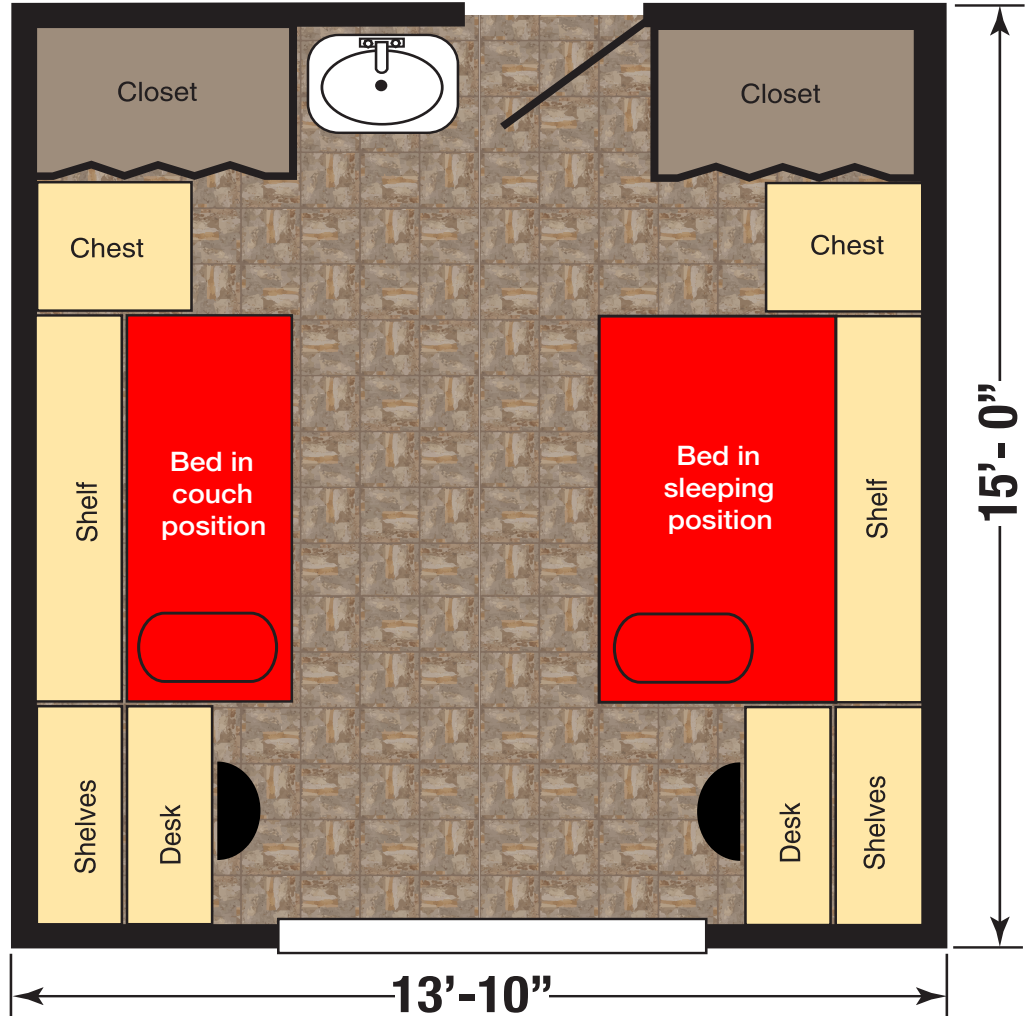

Coleman Hall is a coed by floor, built-in furniture residence hall. The Global TECHsans Learning Community is located in Coleman Hall on the southwest side of campus near the College of Architecture and the Law School. Men and women live on alternating floors. Features of the hall include a TV lounge, four kitchens, a computer lab, and several floor lounges. Limitless laundry lounges are available for all residents.

- Each room has a sink
- Sam's Place West located nearby in the Wiggins Complex
- Built-in furniture consisting of chests of drawers, pullout beds, desks, chairs, closets with overhead storage and bookshelves
