

# MEET YOUR ADVISOR

## Dorothy Dent

### ABOUT ME:

I have been at TTU since June 2008. I have worked as a Tutor Facilitator; SI Coordinator, Upward Bound Residence Hall Counselor, Team Mentoring Coordinator, Electronics Department Manager, Educational Aide, Inventory tech, ER and Nursing clerk, cashier. My hometown is Levelland, TX, about 30 miles from Lubbock. I have a huge extended family, but in my immediate family I have 1 sister and 5 brothers (17 nieces and nephews and 10 great nieces and nephews). I absolutely love family get-to-gathers. I enjoy working in an educational environment and watching someone realize or start to realize their dream.

### FAVORITE CLASS IN COLLEGE:

I would have to choose one of my Sociology elective courses as not necessarily my favorite, but most challenging. Looking back, I loved every minute of it because I really had to stretch myself to earn that "B".

### INTERESTS & HOBBIES:

I love the M&M people and collecting everything from candy to cups, containers, folders etc; also other what-nots; music, and reading

### LOOKING BACK:

I started my higher education at South Plains College with an Associate of Arts degree. I later came to TTU where I graduated with a BA in Psychology and a BS in Human Development. I truly feel a lot of my outspoken-ness (is that even a word) and confidence came from my experiences and class discussions at SPC which definitely helped me to speak out when I started here at TTU. Never be afraid to start the class discussions even when you might be the only who thinks that you have something to say; and the CC is not a bad starting place.

### MY 5 STRENGTHSQUEST THEMES:

Achiever, Strategic, Responsibility, Relator, Learner
