The above are suggested guidelines for registration. Courses in BOLD are scheduling priorities and must be taken in sequence. Students who prefer a lighter load each semester may take courses offered during the summer sessions. However, all courses are not offered in the summer. Refer to the website [raiderlink.ttu.edu](http://raiderlink.ttu.edu) student for updates on course offerings. This plan assumes that the student is exempt from any additional foreign language requirement for the University Core.

NSCD is a six semester sequenced curriculum. Courses must be taken in sequence as indicated by the pre-requisites and semester offered. Acceptance into the Didactic Program in Dietetics (DPD) at the junior level is based on overall 2.75 GPA, 3.0 GPA in NS courses, and 2.0 GPA in CHEM & ZOOL courses. For more information check <http://www.depts.ttu.edu/hs/nhr/ns/undergrad.php>
