

## COMMUNITY PRACTICUM SITES

The following list includes community agencies that may offer volunteer opportunities appropriate for the CFAS 4314 practicum experience. For further information about the organizations, please contact Stephanie Wehmeier in the COHS Career Center at 742-2210. Although we make every effort to keep this list up to date, the contact person may have changed since this list was compiled. If the designated contact person is no longer with the organization, ask to talk with someone about doing an internship or volunteer work, and please forward the name of the new contact to the CFAS Practicum Coordinator.
