**Summer I:** (3) ADM 4390 Internship

The above are suggested guidelines for registration. Courses in BOLD are scheduling priorities and must be taken in sequence. Students who prefer a lighter load each semester may take courses offered during the summer sessions. However, all courses are not offered in the summer. Refer to the website [http://www.raiderlink.ttu.edu/student](http://www.raiderlink.ttu.edu/student) for updates on course offerings. **This plan assumes that the student is exempt from any additional foreign language requirement for the University Core.**

**Apparel Design is an eight semester sequenced studio curriculum. All studio courses must be taken in sequence as indicated by the pre-requisites and semester in which they are offered.**
